Registration Guideline

Content

GTI Summit is a Partner Event at Mobile World Congress 2015 and is only open to MWC pass holders. As a partner of MWC, GTI will provide eligible attendees with a free Exhibition Visitor Pass (EVP). Your application will be responded within two weeks.

To submit your application to attend GTI Summit, please kindly visit the GTI Summit page on GSMA MWC Website.

Create an Account	Personal Data	Professional Profile	Partner Programmes	Review and Submit

Mobile World Congress Partner Programmes

In this section you can indicate your interest in attending one or multiple Partner Programmes at Mobile World Congress. Here is how the process will work:

1. Select all of the sessions you are interested in attending
2. Fill in the survey questions if applicable
3. Submit your information

Next steps:
- Your information will be sent to the partner(s) you have selected
- The partner(s) will review the information and you will be notified by e-mail if you are accepted to attend their session
- At any time, you can log back into your account to indicate your interest in attending new sessions. The same process stated above will apply

Please indicate your interest in attending any of the Partner Programmes below.
